

## **TODDLER HEALTH™ PRODUCT LINE OVERVIEW**

### ***A Balanced Nutritional Drink Mix for Toddlers\****

- Toddler Health is the first of its kind balanced nutritional drink mix for children ages 13 months to 5 years.
- Toddler Health allows parents to integrate healthy eating habits into young children's diets by way of an all-natural alternative to added-sugar sodas, boxed drinks and juices.
- The drink mix contains no milk or soy and is a nutritious alternative for toddlers who are allergic to milk- and soy-based drinks.
- One daily serving provides a significant percentage of the Recommended Dietary Allowances (RDA) of vitamins, minerals and proteins.
- Toddler Health includes no sodium, fat, cholesterol, preservatives or artificial colors/flavors.
- The all-natural Toddler Health formula contains low levels of natural sweeteners, and non-GMO bases; it is a low glycemic index product.
- Toddler Health includes added-value ingredients with targeted health benefits for toddlers, such as antioxidants, prebiotics for digestive health, fiber for constipation and colon health, phytonutrients for "picky eaters" and omega-3 (DHA).
- Toddler Health expands options for busy parents who may not have time to make three nutritious meals daily.

Toddler Health is available in the following kid-friendly varieties:  
Oat-based: Vanilla or chocolate  
Rice-based: Vanilla or chocolate
